• Standard Price (no up-charge)

Please note for MDF door styles, standard pricing only applies to door style specific items. All other items will receive the finish up-charge.

Wood accessories are not available in Black. Brushed Silver and Macassar are only available for doors and drawer fronts.

All finishes for a species are available on all door styles in that species unless noted. For example, all MDF finishes are available on all MDF door styles.

■ Classic Drawer Front Option – CDF available as an option on these door styles. Add a charge of \$90 List for each drawer front.

▲ Standard Drawer Front Configuration

□ Slab Drawer Front Option – SDF available as an option on these door styles at no charge.

VGDF ■ Vertical Grain Drawer Front Option – VGDF available as an option on these door styles. Add a charge of \$90 List for each drawer front.

For Thermofoil door styles in Natural Maple, Natural Cherry, Autumn Spice, Sienna, Macassar, Black and Brushed Silver the back of the doors/drawer fronts will be white and the drawer fronts will have vertical graining.

Painted Medium Density Fiberboard (MDF) doors will display a color variance from the painted maple face frames, corbels, mouldings and other accessory items made with solid maple wood or maple plywood used in the same finish due to the MDF substrate material. This is not considered a defect and is not covered under warranty.

For MDF door styles, Glacier and Divinity panels and shelving can be ordered under melamine or under wood veneer. Crème, Crème Mocha, Dove, Dove Bronze, Dove Slate, Glacier Java, Sandstone and Sandstone Slate panels and shelving will need to be ordered under wood veneer.

For example, for Crème Mocha panels and shelves:

Series Code Door Style Code Species Code Finish Code Series Code
 PRE + MDS + MPL + CRM MOC = PRE MDS MPL CRM MOC (Premier Series)

Determining Ordering Codes

To determine the ordering code, add the series code, door style code, species code and finish code.

For example: Manchester Laminate White:

Series Code Door Style Code Species Code Finish Code Series Code
 SEL + MCT + LAM + WHT = SEL MCT LAM WHT (Select Series)

For example: Milan Cherry Autumn Spice:

Series Code Door Style Code Species Code Finish Code Series Code
 PRE + MIL + CHY + ASP = PRE MIL CHY ASP (Premier Series)

Face frames do not receive finish techniques. Moulding 1/4" wide and larger will receive finish techniques. Plywood parts do not receive finish techniques. Parts such as stiles on end panels and fillers will not receive finish techniques. Veneer door styles, Milan and Barcelona, will only receive Cottage and SeaSide finish techniques. Techniques cannot be combined.

‡Painted Cherry is only available with designated finish techniques.

Designs can include existing Wellborn product line. Thermofoil, laminate and finishes complement the Wellborn line.

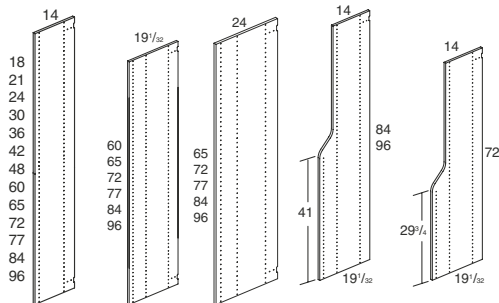

FINISHES (continued)

Wellborn recommends that a Document of Understanding Special Effects Agreement be signed by all of your customers. This agreement explains the effects of all specialty finishes and wood grain characteristics to make your customer aware of these features. A Document of Understanding Special Effects Agreement is located on WAY under Sales and Marketing, Customer Guide, then Special Effects Agreement — All Brands.

- Burnishing:** A technique where the profile edges have been brushed with a dark glaze to create an antiqued effect.
- Carved Edges:** A technique where small areas of the wood surface are chiseled out on door edges and corners meaning to create a high level of worn look.
- Dry Brushing:** A technique applying a very dark stain to imitate distressing on the surface of the wood.
- Medium Dents:** A physical technique of randomly striking the wood surface with a tool to create indentations that mimic the look of aged wood. Medium Dents are larger than Worm Holes and will collect a glaze in varying amounts when applied.
- Rasping:** A physical technique using a metal rasp to run over the edges and raised details to mimic severe wear.
- Rub Thru:** A sanding technique used to randomly expose an undercoat or natural wood tone of corners and edges.
- Small Dents:** A physical technique of randomly striking the wood surface with a tool to create indentations that mimic the look of aged wood. Small Dents are larger than Worm Holes and will collect a glaze in varying amounts when applied.
- Spatter:** A paint technique where paint is flicked across the surface producing inconsistent spatter on the stained or painted surface.
- Worm Holes:** A physical technique of randomly placing small round holes that mimics the look of insect penetration that occurs naturally in trees and harvested wood. Worm Holes are smaller than Small Dents and will collect a glaze in varying amounts when applied.
- Glaze:** An accent stain is applied over the entire door and when wiped off leaving a "hang up" of light to dark tones in the corners, deep grooves and wood grains creating an inconsistent light to dark all over glazed look.

MELAMINE CONSTRUCTION

Melamine Panels and Shelves are only available in Natural Cherry, Natural Maple, Sienna, Autumn Spice, White, Linen and Black.

PANELS

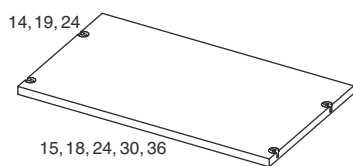

3/4" Melamine laminated furniture board vertical panels in selected finishes

Front edges are banded with PVC edge banding

5 mm Hole diameter, 32 mm hole pattern and 37 mm distance from front edge of panels

19" & 24" Panels have 3 rows of drilled holes

SHELVES

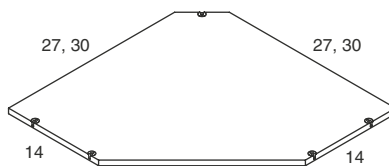

3/4" Melamine laminated furniture board

Front edge is banded with PVC edge banding

Fixed shelves have four installed cam fasteners except for 24" which have six

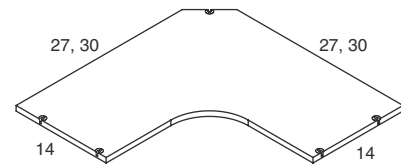

See Modified Length Options for more widths.

3/4" Melamine laminated furniture board

Front edge is banded with PVC edge banding

Fixed shelves have five installed cam fasteners

3/4" Melamine laminated furniture board

Metal

Back and bottom are 1/2" white laminated furniture board with epoxy coated metal drawer sides with integral 3/4 extension slides and screw-on drawer front attachment brackets.

ASSEMBLED CABINET — CONSTRUCTION

DB18 BO

BO — Box Only

Box Only option eliminates all the doors, drawer fronts, drawers and cabinet hardware from the cabinet. Box only is available on the following cabinets: DB18, DB24, DB30, D2DB18, D2DB30, D3DB18, D4DB18, DFDB18, DFDB30, 2DDFDB18, and 2DDFDB30.

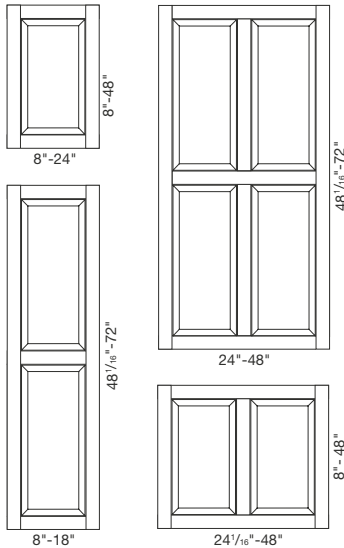

To order, use the following code with cabinet item code:
 BO—Box Only
 For Example: DB18 BO

Pricing
 85% of List Price

CUSTDOORCL/CUSTBFCL — Custom Size Door and Drawer Fronts

This option gives you the ability to order custom panel sizes based on specific parameters for each door style. You must specify the following information when ordering. **Does not include installation hardware.**

Panel Configurations

- Drill or No Drill
 - If Drill is selected, then you must specify Left (L) or Right (R) hinge.
 - Door Edge Profile (DE) or Square Edge Profile (SE)
 - Note: All edges will receive the specified edge treatment.
 - Height and Width
 - Sizes are allowed in 1/16" increments
 - There are minimum and maximum widths allowed in order to retain the door profile. Minimum and maximum widths will vary based on individual door construction.
 - Door Type
 - FD Finished Door
 - DDF Decorative Door Frame
- If DDF is chosen, specify Glass Type:

Codes	Description	Price is in addition to sq. ft. door pricing	Glass Max. Sizes

CG	Clear Glass*	\$100 List	48" x 60"
RG	Reeded Glass*	\$150 List	32" x 42"
SG	Satin Glass	\$150 List	63" x 44"
CSG	Clear Seedy Glass*	\$150 List	24" x 72"
SSG	Super Seedy Glass	\$150 List	32" x 42"
CAG	Clear Antique Glass	\$150 List	24" x 72"
CWG	Clear Water Glass	\$150 List	24" x 72"
CBG	Clear Baroque Glass	\$150 List	30" x 72"

* Glass Types available for Laminate, Thermofoil and MDF door styles.

Custom Door Parameters:

For Custom Door orders, specify:
 Door Hinge – L/R/ND
 Edge Profile – DE/SE
 Door Type – FD/DDF
 Height measurement
 Width measurement

Mitered/Slab Door Styles (all are single panel)

- Width:**
- Minimum = 8"
 - Maximum = 24"
- Height:**
- Minimum = 8"
 - Maximum = 72"

Full Overlay Door Styles (Cope & Tenon)

- Width:**
- Minimum = 8"
 - Maximum = 24" (single panel), 48" (horizontal double panel)
- Doors greater than 24" wide are not available over 48" high.
- Height:**
- Minimum = 8"
 - Maximum = 48" (single panel), 72" (vertical double panel)
- Doors greater than 24" wide are not available over 48" high.

To Calculate the Price:

The custom door and drawer fronts are priced per square foot. There is a minimum charge of 1 sq. ft. for drawer fronts and 1 1/2 sq. ft. for doors.

- Custom Panels are \$120 List per sq. ft.

EXAMPLE:

Door Size
 36" x 30" = 1,080 ÷ 144 = 7.5 sq. ft.

For Custom Door (or Drawer Fronts):
 7.5 sq. ft. x \$120 List = \$900

Custom Drawer Front Parameters:

For Custom Drawer Front orders, specify:
 Edge Profile – DE/SE
 Height measurement
 Width measurement

- Any drawer fronts *not listed* are SLAB.
- Minimum Size, Slab, H x L = 4 5/8 x 7
- Minimum Size, 5-piece, H x L = 4 3/8 x 8 3/8
- Maximum Size, H x L = 15 x 48

Madison CDF

- = 4 3/8" & < 8 3/8" = 5-piece w/flat panel
- ≥ 8 3/8" = 5-piece w/raised panel

Melrose, Modesto & Hanover CDF

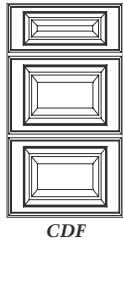

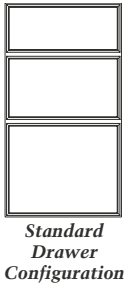

- All 5-piece flat panel
- < 6 3/8" cut-down from 6 3/8"

Belmont & Hartford

- > 5 3/8" = 5-piece appearance

How to Find the Right Door Size:

Measure the opening and add 1/2" to the width and 1/2" to the height.

CDF — Classic Drawer Front

A 5-piece Classic Drawer Front option is available on some door styles. See Door Style Chart for availability indicated with ■. CDF option can be ordered at the header level to apply to your entire order or at the line item level for specific cabinets.

To order at header level, use the following key combination:

CDF—Classic Drawer Front
For Example: SEL SSS CDF TMF WHT

To order at line item level, use the following code with cabinet item code:

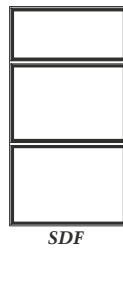

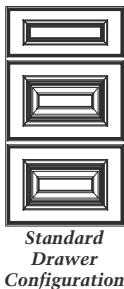

CDF—Classic Drawer Front
For Example: BF0736C CDF1

Pricing

Cabinet list price +
CDF option list price \$90 (per drawer)
For Example: D3DB18 CDF3
Cabinet list price: \$ 475
CDF option list price: \$ 270
Total list price: \$ 745

Note: For Madison door style:
Drawer fronts 4 5/8" to 6 1/2" in height will be 5-piece with a flat insert panel
Drawer fronts 8 1/2" and larger in height will be 5-piece solid wood raised panel

For all door styles:
Drawer fronts less than 4 5/8" will remain one piece.

SDF — Slab Drawer Front

A one piece or slab drawer front is available on specified door styles. See Door Style Chart for availability with □. SDF option can be ordered at the header level to apply to your entire order or at the line item level for specific cabinets.

To order at header level, use the following key combination:

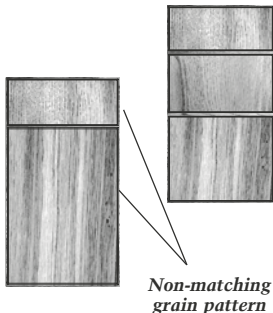

SDF—Slab Drawer Front
For Example: SEL BEL SDF MDF GLR

To order at line item level, use the following code with cabinet item code:

SDF—Slab Drawer Front
For Example: D2DB18 SDF2

Pricing

No Charge

VGDF — Vertical Grain Drawer Front Option

This option is only available on Milan door styles. VGDF option can be ordered at the header level to apply to your entire order or at the line item level for specific cabinets.

To order at header level, use the following key combination:

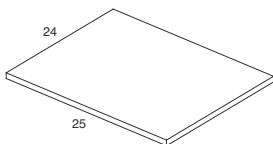

VGDF—Vertical Grain Drawer Front
For Example: PRE MIL VGDF CHY LGT

To order at line item level, use the following code with cabinet item code:

VGDF—Vertical Grain Drawer Front
For Example: BF1117C VGDF1

Pricing

Cabinet list price +
VGDF option list price \$90 (per drawer)
For Example: BF1117C VGDF1
Cabinet list price: \$136
VGDF option list price: \$ 90
Total list price: \$226

ASHV2430 ML25

ML — Modified Length Option

Modified Length is available for adjustable and fixed shelves and toe kicks in 1/8" increments. Remember to always reduce down from the next larger size. Minimum length for the shortest shelf or toe kick is 6". Maximum length for the 36" long shelf or toe kick is 48".

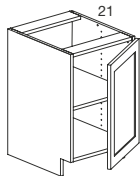

This option is not available for the Shoe Shelves, Diagonal Corner Shelves, Radius Corner Shelves or any 8' shelving or toe kicks. This option is only available on the following items: FSHV2415, FSHV2418, FSHV2424, FSHV2430, FSHV2436, ASHV2415, ASHV2418, ASHV2424, ASHV2430, ASHV2436, FSHV1915, FSHV1918, FSHV1924, FSHV1930, FSHV1936, ASHV1915, ASHV1918, ASHV1924, ASHV1930, ASHV1936, FSHV1415, FSHV1418, FSHV1424, FSHV1430, FSHV1436, ASHV1415, ASHV1418, ASHV1424, ASHV1430, ASHV1436, TK0515, TK0518, TK0524, TK0530 and TK0536.

To order, chose Modified Length and the length that you need.

For Example: ASHV2430 ML25

Pricing

**DB18 RD21****RD — Reduced Depth**

Reduced Depth is available on the following cabinets: DB18, DB24, DB30, D2DB18, D2DB30, D3DB18, D4DB18, DFDB18, DFDB30, 2DDFDB18, 2DDFDB30, MDEP2428C and DEP2428C.

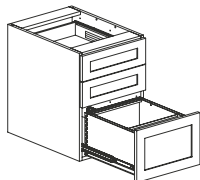

To order, use the following code with cabinet code:

RD21—Reduce desk cabinet depth to 21"

For Example: DB18 RD21

Pricing

Add 23% to List Price

**DFDB18 VTK****VTK — Void Toe Kick**

Void Toe Kick is available on the following cabinets: DB18, DB24, DB30, D2DB18, D2DB30, D3DB18, D4DB18, DFDB18, DFDB30, 2DDFDB18 and 2DDFDB30. This eliminates the toe kick.

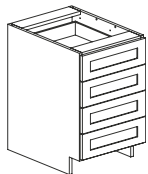

To order, use the following code with cabinet code:

VTK—Void Toe Kick

For Example: DFDB18 VTK

Pricing

Add 10% to List Price

**D4DB18 WD4****WD — Wood Drawer Upgrade**

Wood Drawer Upgrade is available on the following cabinets: D2DB18, D2DB30, D3DB18, D4DB18 and for the top two (2) drawers of the DFDB18 and DFDB30. These cabinets are standard with metal drawers that can be changed to 3/4" solid hardwood drawers. The Wood Drawer Upgrade is also available for the Shelf and Drawer Tower Kit.

To order, use the following codes with cabinet code:

WD2—Cabinet with two drawers

WD3—Cabinet with three drawers

WD4—Cabinet with four drawers

For Example: D4DB18 WD4

Pricing

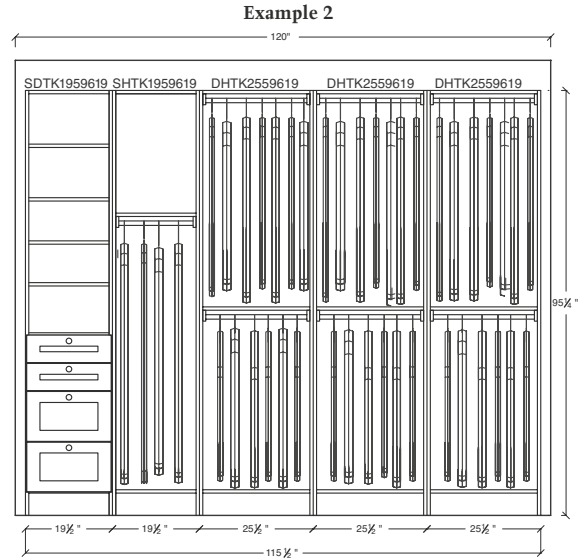

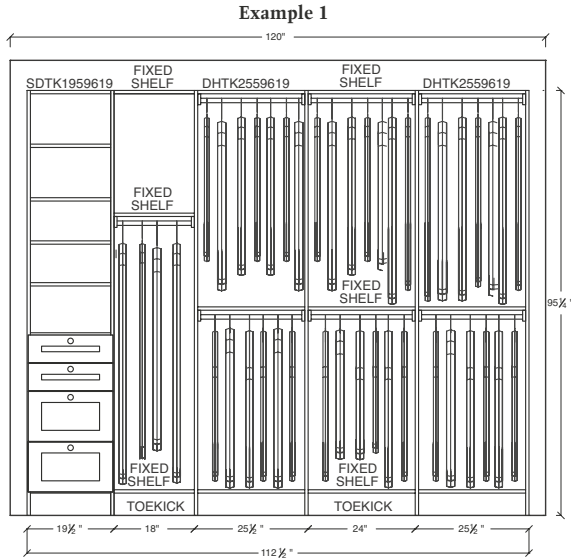

Add \$60 List per Drawer

DESIGNING WITH TOWER KITS

We have introduced four basic tower designs that can be used in combination with our standard shelving and toe kick, or as a series of towers to create closet and storage designs quickly. Not only does this save time in the estimating & design process, it will also save time in the installation process by packaging these tower kits together, making it easier for your installer to quickly identify needed sections.

Example 1 shows the use of the tower kits combined with individual shelving and toe kick. Note that with this example you will need to make sure that you add the additional hardware needed for the shelving and toe kick. You would need the Push Thru 2-sided Connecting Bolts for this setup.

Example 2 shows the use of the tower kits exclusively. Note that with this example if you install the towers as packaged you will have a double panel appearance between the towers. If desired, you could omit a panel between each tower in installation, giving you a standard single panel appearance.

AFE ART FOR EVERYDAY™

Architectural Woodcarvings

Choose from a unique selection of over 750 decorative corbels, capitals, moldings, corner posts, island posts, mantels, appliqués, rosettes, custom woodcarvings, and other decorative architectural components with ART FOR EVERYDAY!

Art for Everyday is an architectural wood carving company that create high quality, timeless woodcarvings, providing innovative design details to designers, architects and cabinetry companies. Driven by a commitment to originality, they offer their clients a selection of 750 ready-to-ship products as well as their unique ability to bring design visions to life with custom carving and applications. For AFE, your input is key many of their creations. AFE's products encourage creative freedom by allowing their clients to compose their own custom combination's using the finest materials and uppermost standards of craftsmanship. AFE's staff is passionate about the blend of art and architecture that encompasses all their products.

A Quality Story

Carvings are made from solid wood blocks giving every final piece not only an aesthetic advantage for color matching, but a structural advantage as well. AFE's color matching process is very precise and efficient as they only cut from small amounts of blocks at a time Woods include species such as Maple, Cherry, Oak and Hickory. They use the best hard maple in the world sourced from environmentally managed forests in North America.

Master Carvers

At AFE their experienced, international wood carvers respond to the designer's vision with traditional or contemporary architectural carvings that are elegant, functional and lasting. Decades worth of knowledge are ingrained on each piece, their attention to detail and expertise facilitate in making Art For Everyday's collections synonymous with world class quality. A dedicated team will make your projects come to life.

MOULDING, LEGS, CORBELS AND ONLAYS

So what does your next project involve? Think of it as a beautiful challenge and visit Art For Everyday on Wellborn And You by looking under Services.

Wood Creations placed in Good Hands

Creating Endless Possibilities

Ordering Guidelines:

Click on the WAY site and place your orders today in Direct Connect... just one kitchen at a time!

To order, Go to WAY, and access Direct Connect. Follow the instructions listed below:

1. Create an Order in Direct Connect by clicking on Standard, following on normal Admin and Header procedures and then click on the green plus sign at the bottom left of the Line Item screen.
2. Browse the AFE catalog and enter the item of your choice (Please note, Wellborn will only finish items in the following wood species: Cherry, Maple, Hickory and Oak).
3. Preview item and pricing, make your selection and then add to order.
4. Submit your order following the usual procedures.
5. Lead times will be adjusted in real time to reflect product availability from AFE when necessary.

Finished AFE components will ship on your Wellborn truck or UPS.

Note: Art For Everyday is not available on Rush.

For Laminate and Thermofoil door styles in Natural Cherry or Autumn Spice finishes, item is finished cherry. Only Melamine items are available in Black.

ACCENT COLOR PROGRAM

Wellborn Cabinet, Inc., in collaboration with Sherwin-Williams, have established a program providing easy access to stains, stains with glazes, paints and paints with glazes that coordinate with our full palette of finishes. With over 3,300 locations across North America, you can easily find a Sherwin-Williams location near you. Visit their site at www.sherwin-williams.com.

Things to remember:

- 1) Take your Wellborn finished door with you.
- 2) Know the Wellborn finish/color name.
- 3) Bring a sample of the wood or material that you plan to finish for in-store color check.
 - For the best results, Wellborn recommends using the same wood species or material as the door you bring with you.
- 4) Be sure it meets your color, sheen and appearance expectations before you leave the store.

MIDDLEFIELD GLASS

Middlefield Glass can do special sizes, different designs and colors for your project. Visit their site at middlefieldglass.com, call them at 1-800-772-1477 or email them at info@middlefieldglass.com. You can easily get the measurements you need by measuring the interior of the decorative door frame.

BELWITH KEELER HARDWARE PROGRAM

Over 1,200 decorative hardware selections to choose from with Belwith Keeler! Just click on the WAY site and place your orders today in Direct Connect...just one kitchen at a time. The selections meet design styles in an array of finishes.

To order, Go to WAY, and access Direct Connect. Follow the instructions listed below.

- 1) Create an order in Direct Connect by clicking on the Belwith Keeler box and follow all normal procedures on the Admin tab.
- 2) Browse the Belwith Keeler catalog and enter the item of your choice.
- 3) Preview item and pricing and click on Next Step for UPS Shipping.
- 4) Submit your order following the usual procedures.

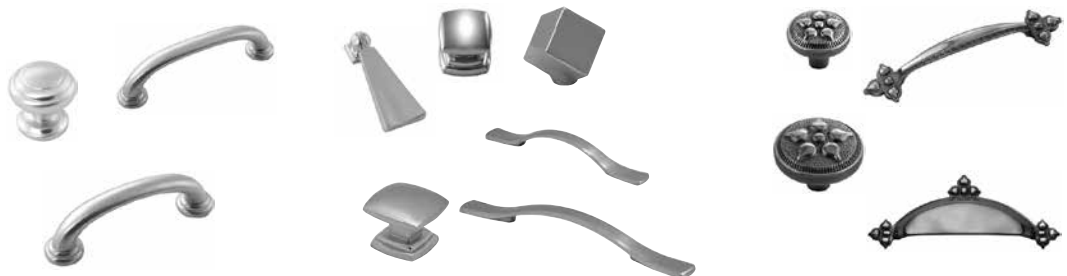

Hardware will ship direct from Belwith Keeler.

Hardware Boards available! Customize your boards to fit your market.

Note: Belwith Keeler Hardware not available on Rush Program.

WALL MOUNT DISPLAY DOOR REPLACEMENTS

DISPLAY DOORS 

Display Doors include a door style decal on back. Display doors are available in all the door style and finish combinations available in Wellborn Closets. Finish and Finish Technique charges will be in addition to list price. Use the following code to order display doors:

CLFD1414DD \$150 List

Ordering Example: CLFD1414DD PRE MEL MPL SEA

FINISH TECHNIQUE SAMPLE DOOR KIT

This Wellborn kit contains seven 14" x 14" display doors with each one showing a sample of Wellborn's Finish Techniques. The back of each door has a decal displaying the technique and its features. Door profile, wood species and finish or paint have been pre-selected. To see a finish technique of your choice, order a door in the desired wood species, door style and finish combination. **Not all door styles included are available in Wellborn Closets.**

General Closet Composition:

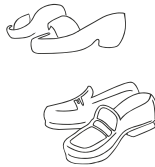

Percentages will vary based on individual consumers.

50–75%
Double Hang

20–25%
Single Hang

15–20%
Shelf & Shelf Storage

General Tips:

- Allow 9-15" width for folded sweaters or shirts
- Allow 7-12" of horizontal width per pair of shoes
- Straight Shoe storage take up less space than slanted applications
- Stack 3 items or less per shelf — approx. 6 - 9" between shelves
- 84" panels without 5" toe kick allows for men's double hang application
- Consider a packing surface for clients who travel.
- Consider a bench seat for putting on shoes, etc.

Accessories & Miscellaneous Items to Keep in Mind When Designing:

Belts
Gloves
Hat Boxes
Hats

Jewelry
Laundry
Lingerie
Luggage

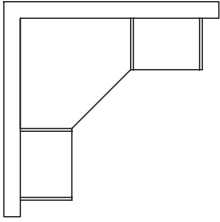

Portable Devices
Purses
Robes
Scarves

Shoe Boxes
Socks/Nylons
Ties

SUGGESTED HARDWARE TO KEEP IN STOCK

HARDWARE	ITEM DESCRIPTION	RECOMMENDED QTY TO STOCK
Wall Rail	WRL96	4-6 pcs
Rail Covers		Stock depends on the finish most often used
Bridge Support		Stock depends on the finish most often used
Panel Hanger Left	C3174PK5	1 pk 5
Panel Hanger Right	C3175PK5	1 pk 5
Hanger Covers Left		Stock depends on the finish most often used
Hanger Covers Right		Stock depends on the finish most often used
Cam Fastener	C3169PK100	Pk of 100
Cam Covers		Stock depends on the finish most often used
5MM Connecting Bolt	C3171PK50	Minimum 2 pks of 50
Push Thru 2 Sided Connecting Bolt	C3172PK50	1 pk of 50
Snaptoggle Kit	SNAPTOGGLEKIT	1 kit
Euro Screw	C3178PK50	4 pks of 50
Clip On Hinges	C2202PK10	2 pks of 10
#8 x 2½" Panhead Screws	B7942PK25	2 pks of 25
#8 x 2" HiLo Screws	B7941PK100	2 pks of 100
Screw Covers		Stock depends on the finish most often used
Angle Bracket		Stock depends on the finish most often used
5MM Nickel Plated Shelf Support	C3173PK50	2 pks of 50
Bumper	C3179PK200	1 pk of 200
Wardrobe Tube (round)		Stock depends on the finish most often used
Wardrobe Tube Supports (round)		Stock depends on the finish most often used
Oval Wardrobe Tube		Stock depends on the finish most often used
Oval Wardrobe Tube Supports		Stock depends on the finish most often used
TEMPLATE AND TOOLS	ITEM DESCRIPTION	RECOMMENDED QTY TO STOCK
Jig for Cam Fastener Holes	C2579	1 jig per crew
Cam Fastener Depth Gauge	C2574	1 gauge per install crew
Cam Fastener Drill Bit	C2575	Minimum 2 per crew

TERMS AND CONDITIONS

All prices herein supersede all prior price lists and are subject to change without notice. Wellborn may also discontinue, without notice, the sale of any of the products listed herein. Wellborn also may make changes in specifications of any of its products without notice.

The sale of Wellborn products are made subject to the terms and conditions listed below, and to any change in these terms and conditions as published by Wellborn.

ORDERS will be accepted only through Direct Connect at www.wellbornandyou.com. Such orders shall be accepted and processed per the buyer's request. Confirmations are located on Direct Connect for review. If changes are not made during the change period, that signifies the acceptance of the order. All trailerload orders should be a minimum of 2500 cubes. Maximum cubage for a 48 foot trailer is 2700 cubes. Maximum cubage for 53 foot trailer is 3300 cubes.

RUSH – All rush orders must be approved by Wellborn Customer Service. Rush orders must be specified prior to order entry. **All rush orders are final – no changes are allowed.** Curved door cabinetry, island hoods, wood hoods, islands, wainscot, custom appliance panels, stains and other items listed in the Rush Program Guidelines are excluded from the Rush Program. These items will receive standard lead time for shipment.

Order modification and cancellation must be done within the 24 hour change time from order cut off. **(Not order confirmation)**

QUOTES on KITCHENS – Wellborn Cabinet does not provide quotations to orders. Please note that ALL orders sent to Wellborn will be processed as an "order". The "Order Confirmation" received after submitting an order is to be used for verification of order accuracy and to cancel an order within 24 hour change period. For order quotations, see your local Wellborn Sales Representative or local Wellborn Dealer.

SHORTAGES or VARIANCES – A signed delivery receipt will indicate a complete shipment with no shortages.

CREDIT APPROVAL – Dealer orders are accepted subject to credit investigation and approval and delivery may be withheld or shipments stopped in transit on accepted orders without any liability on Wellborn's part if, in its opinion, the dealer's ability to pay for the merchandise on these terms and conditions is in doubt.

DELIVERY – (common carrier) Delivery to the initial carrier shall constitute delivery to the dealer. Wellborn's responsibility ceases upon delivery in good order to such carrier, and all merchandise is shipped at the customer's risk. The dealer is urged to inspect all deliveries very carefully before signing transportation receipts. If goods are visibly damaged, the dealers should insist that written confirmation of the damage be noted on the freight bill of the carrier. If damage is discovered after unpacking, the carrier should be notified at once so that inspection can be made and the claimed damages be verified by the carrier.

Wellborn will not be liable for any delay or failure in the delivery of goods against an accepted order or for any damage suffered by reason thereof when such delays or failure are directly or indirectly due to accident (in manufacturing or otherwise), fire, flood, riot, war, embargo, labor stoppages, inadequate transportation facilities, shortages of material or supplies, delay or default on the part of its vendors, regulations by Government Authority, or any like or dissimilar cause or causes beyond its control.

PRICE – Merchandise sold by Wellborn will be billed to the dealer according to the price and terms contained in its publications. In the case of orders for goods for which there is no price currently in effect, the price will be determined by Wellborn and advised to the buyer on a case by case basis.

"SPECIALS" – Any cabinet requested that does not appear on our price list is subject to prior approval and at a special price. Any special cabinet cannot be returned or cancelled after the order is placed.

TAXES – Any tax or other Government charge now or hereafter levied upon the production, sale, use or shipment of merchandise ordered or sold will be charged to and paid for by the buyer.

WARRANTY – Except where a different express written warranty has been issued with respect to particular products, no warranty, expressed or implied, is extended by Wellborn to any person or persons other than its distributors and other direct buyers. To direct buyers Wellborn warrants only that it will furnish the product or, at its option, repair any product of its manufacture or part or portion thereof, proved to its satisfaction to be defective in material or workmanship under normal use and service within ten (10) years of Wellborn Dealer's original date of purchase on Wellborn Closets. Wellborn will not be responsible for any damages whatsoever or for labor expense in connection with the replacement of defective products or parts or portions thereof.

The Select Series has a machine sanded finishing process and does not include the detailed hand sanding technique featured in the Wellborn Collection. Therefore, Wellborn Cabinet, Inc., does not recommend designs combining these series. Wellborn Cabinet, Inc., does not warrant finish matching between the Home Concepts or Select Series and the Premier Series due to differences in wood characteristics and finishing processes. Any claim arising from or related to cabinet finish matching in such blended or mixed designs is specifically and expressly not covered under any warranty provision.

This warranty is in lieu of all other warranties, expressed or implied, and of all other obligations or liabilities on the part of Wellborn. Wellborn neither assumes nor authorizes any other person to assume for it any other liabilities in connection with the sale of its products except in the case of express warranties, which may be issued by it in writing from time to time with respect to particular products. Please see dealer for complete warranty details.

NOTE: All cabinets should be verified by customer upon delivery. Once installed at jobsite, Wellborn Cabinet, Inc., will not allow cabinets to be returned for credit. (R1 Wrong Label on carton)

KCMA means "Minimum HUD Approved" – The kitchen and bath cabinets of the manufacturers listed in the KCMA Directory comply with ANSI/KCMA A 161.1-2000, "Recommended Performance and Construction Standards for Kitchen and Vanity Cabinets." The cabinets also comply with the provision of paragraph 611-1.1, "HUD Minimum Property Standards Housing 4910.1", 9/8/86.
