- † - Not available in Towne door style

NE Natural Ends

All finishes notated "NE Natural Ends" will have as indicated natural maple wood grain laminate end panels (does not match cabinet front). For example, order a finished skin to field install or Matching Finished End.

For finishes not notated NE, the standard end panels is 1/2" complementary wood grain/white/linen laminated furniture board end panels with edge banding.

Painted Medium Density Fiberboard (MDF) doors will display a color variance from the painted maple face frames, corbels, mouldings and other accessory items made with solid wood or maple plywood used in the same finish due to the MDF substrate material. This is not considered a defect and is not covered under warranty.

Finish note: Due to sanding procedures and finish applications, finishes will not match the Wellborn products.

The Home Concepts Series has a machine sanded finishing process and does not include the detailed hand sanding technique featured in the Premier Series. Therefore, Wellborn Cabinet, Inc. does not recommend designs combining these series. Any claims arising from or related to cabinet finish matching in such blended or mixed designs is specifically and expressly not covered under any warranty provision.

DETERMINING ORDERING CODES

To determine the ordering code, add the series code, door style code, species code and finish code.

For example: Hampton Square Oak Light

Series Code Door Style Code Species Code Finish Code Series Ordering Code
 HOM + HPS + OAK + LGT = HOM HPS OAK LGT

LEFT OR RIGHT HINGE

All single door cabinets must be specified left (L) or right (R) hinge.

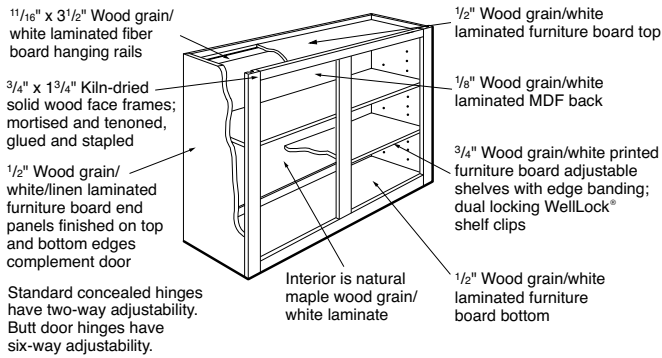

These cabinets will have "L/R" immediately following their nomenclature throughout the catalog.

ABBREVIATIONS

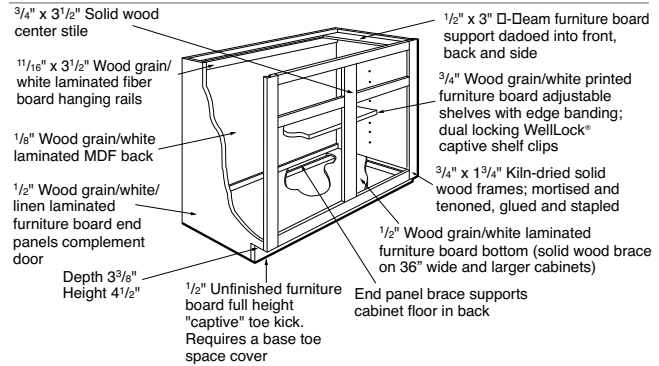

TOL = Traditional Overlay Door Styles
 FOL = Full Overlay Door Styles

STANDARD CONSTRUCTION

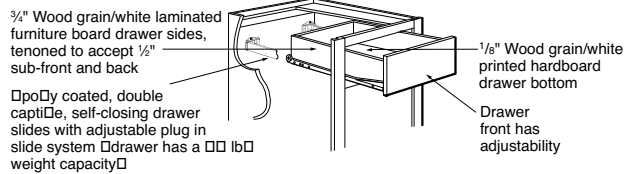

WALL

BASE

DRAWER

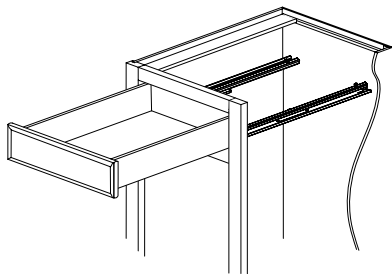

NOTE: For Thermofoil door styles, the cabinet interior and exterior are white laminate, the face frames are white finished maple and the drawer front is $\frac{3}{4}$ " thermofoil laminated furniture board.

For Laminate door styles in White and Linen, the cabinet interior is matching white laminate and the exterior is matching white or linen laminate, the face frames are matching finished maple and the drawer front is $\frac{3}{4}$ " melamine laminated front.

Drawer sides are $\frac{3}{4}$ ", sub front and back are $\frac{1}{2}$ " white laminated furniture board.

PWD—PLYWOOD DRAWER UPGRADE

Drawers can be upgraded to $\frac{3}{4}$ " plywood dovetail drawer in a natural finish with laminated plywood drawer bottom and undermount drawer slides with a 75 lb. weight capacity. Exposed dovetail joints are unfinished. **Note: Must be ordered for all drawers in cabinet (not available on individual drawers).**

To order, use the following codes with the cabinet item code:

- PWD1 — Cabinet with one drawer
- PWD2 — Cabinet with two drawers
- PWD3 — Cabinet with three drawers
- PWD4 — Cabinet with four drawers

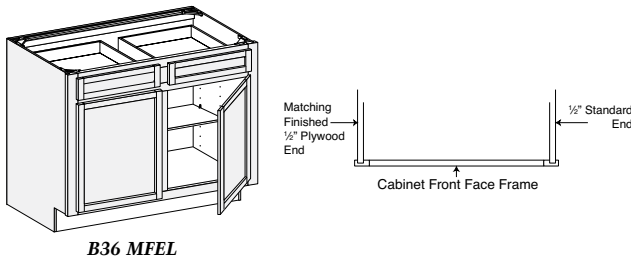

For Example: B18 PWD1
4DB24 PWD4

Pricing

Add \$50 List per Drawer

MFE—MATCHING FINISHED END OPTION

Cabinets will receive $\frac{1}{2}$ " thick matching maple or oak finished veneer plywood for specified ends. Cabinet face frame and end panel have standard $\frac{1}{4}$ " reveal. Remember to face the cabinet when specifying left or right.

To receive Matching Finished Ends:

Choose MFE option for left, right or both end panels of the cabinet.

To order, use the following codes with cabinet item code:

Code	Wall	Bases	Tall
MFEL — Matching Finished End Left	\$45	\$65	\$125
MFER — Matching Finished End Right	\$45	\$65	\$125
MFEb — Matching Finished End Both	\$90	\$130	\$250

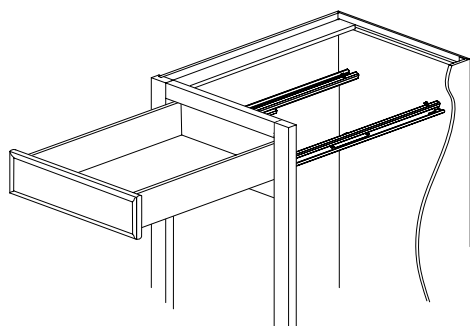

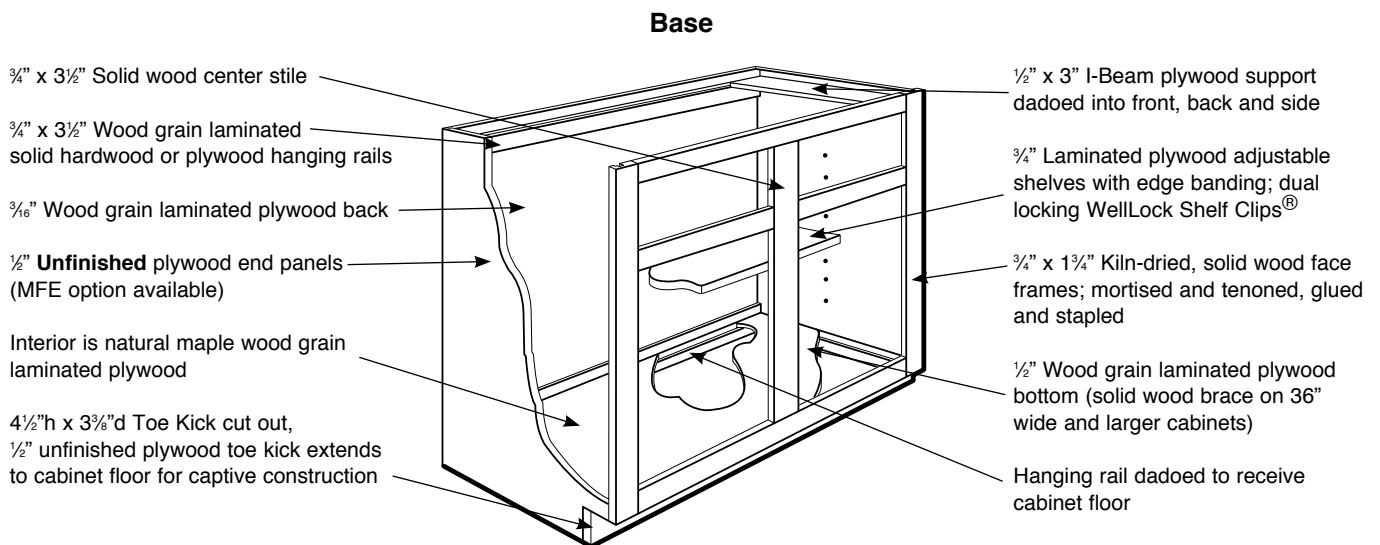

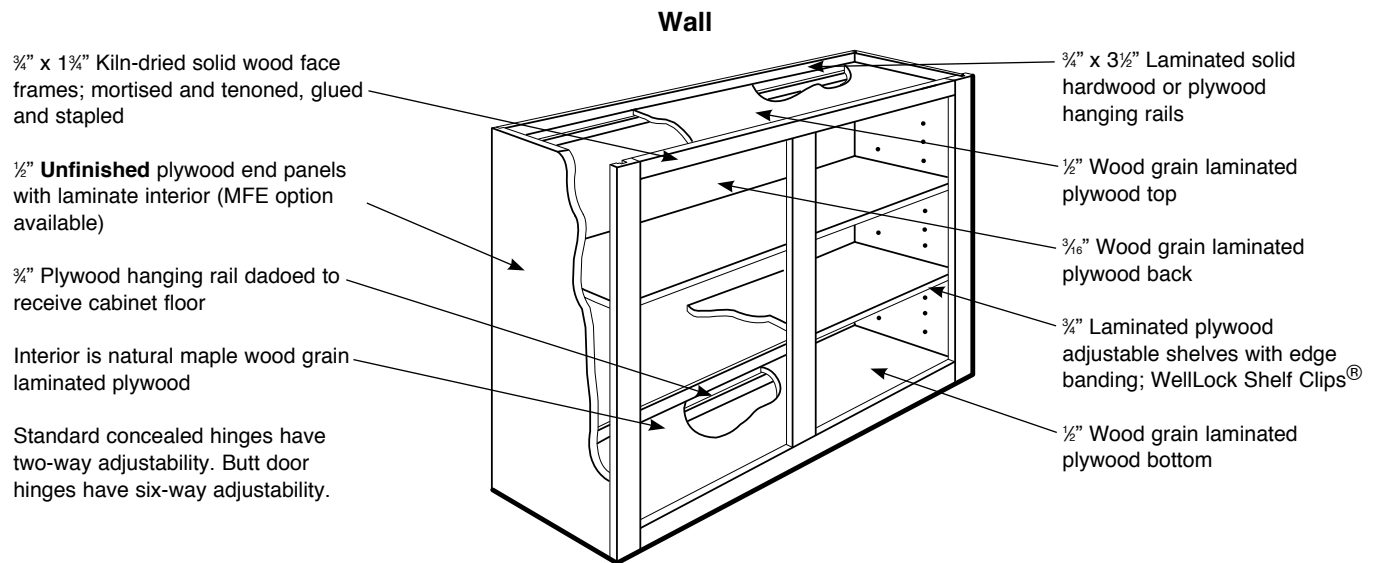

For Example: B36 MFEL

APC—ALL PLYWOOD CONSTRUCTION

This option is available on most cabinets. It changes the cabinet to all plywood construction with plywood shelves, tops, bottoms and backs. This option also upgrades the drawer to $\frac{3}{4}$ " plywood dovetail drawer with undermount drawer slides. See below for specific construction details.

To order, use the following item code:
 APC—All Plywood Construction
 For Example: B18 APC

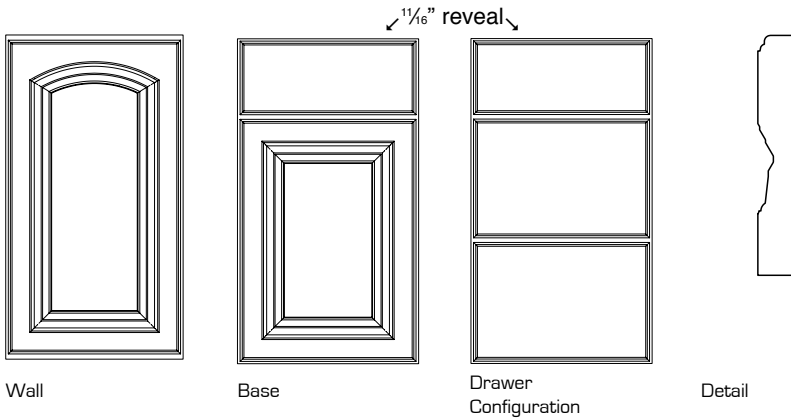

Pricing
 Add 30% to List Price

$\frac{3}{4}$ " Plywood dovetail drawer in a natural finish with laminated plywood drawer bottom, and undermount drawer slides with a 75 lb. weight capacity. Exposed dovetail joints are unfinished.

- Square Door and Drawer Front Edges
- Veneer Recessed Center Panel is $\frac{3}{16}$ " Thick

INSTALLATION NOTE

Any wall cabinets greater than 36" wide are not recommended as stand alone cabinets without additional reinforcements above and beyond Wellborn's installation manual guidelines. We also recommend that any stand alone cabinet, regardless of width, be reinforced with angle brackets to help support the weight that is added to cabinet interior from accessories. Wellborn Cabinet, Inc. will not warranty any cabinets that fall as a result of standing alone. It is the dealer's responsibility to design cabinetry that is not single displayed on a wall. Dealer will be obligated to pay the cost of damages if dealer designs kitchen with single cabinets. Wellborn Cabinet, Inc. meets or exceeds KCMA weight requirements.

Reveal Notice for Metro, Towne and Cambridge Arch and Square Door Styles:

- The top drawer fronts of bases, vanity bases, base height vanities, and vanity linen cabinets will be a height of $5\frac{5}{8}$ " instead of the standard $6\frac{1}{8}$ " of other FOL door styles.
- Base full-height doors will be $29\frac{1}{8}$ " instead of the standard $29\frac{5}{8}$ ".
- The door height of vanity sink cabinets will be $26\frac{1}{8}$ " instead of the standard $26\frac{5}{8}$ ".
- The reveal dimension between the top of the drawer front and top of the face frame will be $\frac{1}{16}$ " instead of the $\frac{3}{16}$ " reveal common with other FOL door styles.

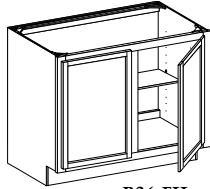

SEMI-CUSTOM PROGRAM

When ordering Semi-Custom options, please note that all paperwork from our factory will show an asterisk (*) at the end of the nomenclature. This will help identify the cabinets with modifications. Please note this change when reviewing confirmations, invoices, shipping labels, etc.

For Example:

B15* R FH U248412* FO W3030* P W1830* L P U249024* TKU

Sequence of Mods — All modifications to a cabinet construction, size, valances or configuration will take precedence over changes to doors or installed options. For example: P will occur before DDFIN.

B36 FH

FH — Full Height Doors

The following base cabinets are available with Full Height doors: B12, B15, B18, B21, B24SD, B24, B27, B30, B33, B36, B39, B42, B45, B48 and all sink bases.

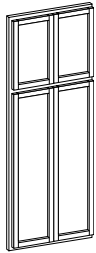

To order, use the following code with cabinet item code:

FH — Full Height door

For Example: B36 FH

WALLS

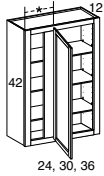

WALL BLIND CORNER CABINETS ORDERING/INSTALLATION INSTRUCTIONS

Must order Left or Right blind. Hinge is on blind side of cabinet for a single door cabinet.

Note: All **Traditional Overlay** door styles must pull at least 1" and use a 1" filler when using Wellborn stock hardware to allow for a 90° clearance. A filler or pull is not required when hardware is not used for these styles. All **Full Overlay** door styles must pull at least 2" and use a 2" filler when using Wellborn stock hardware to allow for a 90° clearance. A pull of 1" and use of a 1" filler are required when hardware is not used. All Wall Blind Corner Cabinets will pull up to 4¾". The opening is 5½" wide on all Wall Blind Corner Cabinets. The center stile is 6½" wide.

42" HIGH WALL BLIND CORNER CABINETS

Left Blind Shown

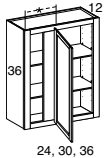

1 Door,
3 Adjustable shelves

Universal Design Products, Inc. is the North American distributor of accessible kitchen and bathroom lifts designed and manufactured by Granberg of Sweden.

Some of the biggest obstacles to designing an accessible kitchen are access to sinks, cabinets, countertops (worktops) and appliances which are usually not usable for people who are seated, sitting or in a wheelchair. By installing automatic accessibility lifts, the height of sinks, cabinets, worktops and appliances can be adjusted to accommodate the needs of all users. Most importantly you can design beautiful efficient kitchens and bathrooms that maximize the independence, convenience and changing abilities of all household members.

Please contact Universal Design Products, Inc. with any inquiries at the number listed below or visit their web site for further information.

ACTIVE LIVING STANDARD VANITY CABINETS

Kingston Arch

Order KGA

Kingston Square

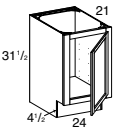

Order KGS

All vanity cabinets are pre-drilled for 10 5/8" deep shelves and have 4 1/2" high toe kicks. Specify Left or Right hinge on all single door vanities. If an order is placed in arch door styles, all 31 1/2" high vanities will have arch doors. To order square doors on 31 1/2" high vanities, you MUST specify square on your order.

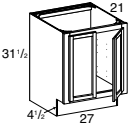

Some Active Living designs can be accomplished with just a lower countertop height. The following vanity cabinets have an overall height of 31 1/2" and can be used to achieve this type of design. They are standard 21" deep with Increased Depth to 24" available.

ACTIVE LIVING STANDARD VANITY SINK CABINETS

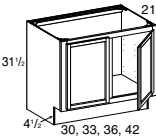

1 Door
Must specify L or R hinge.

APPLIANCE DIMENSION SYSTEM

A service called "Dimension Express" provides instant trim sizes for appliance dimensions.

DIMENSION EXPRESS

The Instant Appliance Dimension System • Easy to use • 24 hours a day • Updated daily

A FREE service to obtain specification sheets instantly using any fax machine. It's EASY, just call (925) 284-3558 from a Fax machine. Enter "2" when asked for a code number and you will receive further information, instructions and a listing of all manufacturers on line.

Manufacturers support the system making it FREE to you.

For questions and comments contact Dimension Express at PHONE (800) 940-2059, EMAIL support@dexpress.com, or FAX (925) 403-0707. Also see the website at www.dexpress.com.

WELLBORN CABINET, INC. IS NOT RESPONSIBLE FOR SIZES SPECIFIED BY DIMENSION EXPRESS.

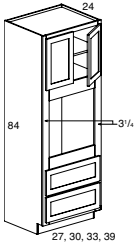

OVEN CABINETS

Oven Cabinets can be cut to fit the majority of oven units manufactured. Toe kicks shipped attached for all 84"- 96" high cabinets. To order with toe kick shipped unattached for 90" and 96" high cabinets, please specify TKU with the item code (For example, SO279024 TKU). See Semi-Custom Program on page 10 for additional details.

Note: If using self-cleaning oven, be sure thermofoil and laminate doors are a minimum of 3" away from edge of oven.

VANITY CABINETS

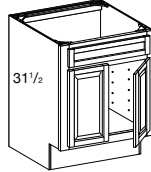

All vanity cabinets are pre-drilled for 10^{5/8}" deep shelves and have 4^{1/2}" high toe kicks. Detailed Ordering Instructions for Vanities: Specify left or right on all single door vanities. If order is placed in arch door styles, all 31^{1/2}" high vanities will have arch doors. To order square doors on 31^{1/2}" high vanities, you MUST specify square on your order. When ordering 34^{1/2}" High Just Right Base Height vanities, all doors are square (arch doors are not available). See examples below.

-------	---	---	----	----	----	----	----	----	----	----	----	----

Specially formulated cloth that removes stains and rings from wood furniture caused by water, alcohol and other moisture. Effective and reusable. Not for use on dull wood finishes.

ACCENT COLOR PROGRAM

Wellborn Cabinet, Inc., in collaboration with Sherwin-Williams, has established a program providing easy access to stains, stains with glazes, paints and paints with glazes that coordinate with our full palette of finishes. With over 3,300 locations across North America, you can easily find a Sherwin-Williams location near you. Visit their site at www.sherwin-williams.com.

Things to remember:

- 1) Take your Wellborn finished door with you.
- 2) Know the Wellborn finish/color name.
- 3) Bring a sample of the wood or material that you plan to finish for in-store color check.
 - For the best results, Wellborn recommends using the same wood species or material as the door you bring with you.
- 4) Be sure it meets your color, sheen and appearance expectations before you leave the store.

MIDDLEFIELD GLASS

Middlefield Glass can do special sizes, different designs and colors for your project. Visit their site at middlefieldglass.com, call them at 1-800-772-1477 or email them at info@middlefieldglass.com. You can easily get the measurements you need by measuring the interior of the decorative door frame.

BELWITH KEELER HARDWARE PROGRAM

Over 1,200 decorative hardware selections to choose from with Belwith Keeler! Just click on the WAY site and place your orders today in Direct Connect...just one kitchen at a time. The selections meet design styles in an array of finishes.

To order, Go to WAY, and access Direct Connect. Follow the instructions listed below.

- 1) Create an order in Direct Connect by clicking on the Belwith Keeler box and follow all normal procedures on the Admin tab.
- 2) Browse the Belwith Keeler catalog and enter the item of your choice.
- 3) Preview item and pricing and click on Next Step for UPS Shipping.
- 4) Submit your order following the usual procedures.

Hardware will ship direct from Belwith Keeler.

Hardware Boards available! Customize your boards to fit your market.

Note: Belwith Keeler Hardware not available on Rush Program.

Belwith Keeler®

The roots of *Belwith Products, LLC* run deep, beginning with the birth of a small foundry in Michigan in 1893. From the humble beginnings of the *Keeler Brass Company*, international corporate ownership and multiple mergers, we now emerge as *Belwith Products*, a privately owned and operated firm.

Hundreds of years of staff experience, a living library of designs (dating back to 1900), and a passion to develop unique, creative hardware solutions, positions *Belwith Products* as the industry leader in kitchen cabinet, architectural, and furniture hardware.

Despite being a "new" company, *Belwith Products* is comprised of unparalleled experience and talent. Our vision is to offer the very best in products and service to customers today, while striving for continuous improvement in our product offerings and service for tomorrow.

Merchandising Solution for the Showroom

ROTATING FLOOR TOWER

Item No. DRFT2575BK

The Rotating Floor Tower, developed for showrooms, presents an attractive sales tool for your inside sales team or your walk-in traffic. Your four sided rotating floor tower display is a distinctive, appealing and user friendly showcase for your customers to compare a variety of styles, finishes and textures.

The display tower accommodates a custom arrangement of decorative hardware mounted to Pearwood finished display boards, which are easily set into the wood display tower, and removed as needed.

Decorative branded nameplates for Belwith-Keeler® are included.

FEATURES AND BENEFITS

- Removable display boards can be organized by **A** any finish or style.
- Branded nameplate is applied at installation into **B** pre-drilled holes.
- Standard and custom display board layouts available with easy installation
- Displays an average of 200 to 240 products on an average of 40 display boards.

APPLICATIONS

The Rotating Floor Tower Display is a free-standing display that sits on any level surface.

WALL DISPLAY

Item No. DWD1873BK

The Wall Display, developed for showrooms, presents an attractive sales tool for your inside sales team or your walk-in traffic. Your Wall Display is a distinctive, appealing and user friendly showcase for your customers to compare a variety of styles, finishes and textures.

A custom arrangement of decorative hardware is mounted to Pearwood finished display boards, which are set into the wood framed Wall Display, and can be easily removed for updating.

A decorative branded metal nameplate for Belwith-Keeler® is included.

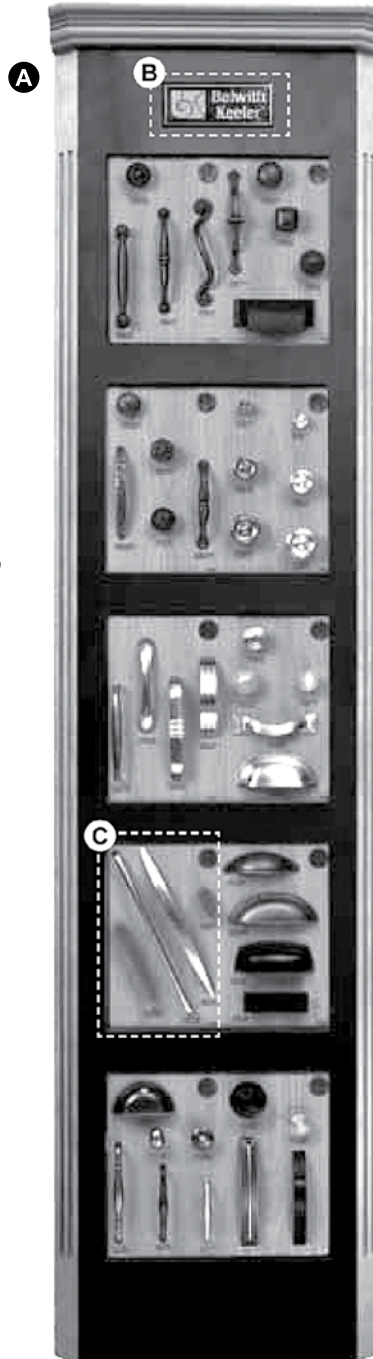

FEATURES AND BENEFITS

- Mounts directly to the wall with easy-to-install **A** mounting bracket.
- Belwith-Keeler® branding for each display. **B**
- Standard and custom display board layouts available. **C**
- Exclusive bracket can be positioned for use in slatwall applications.
- Hundreds of interchangeable display boards that can be organized by any finish or style.
- Flush side cornice molding allows for side-by-side mounting and more hardware per foot.
- Nameplate is applied into pre-drilled holes during installation.
- A single Wall Display will show up to 60 items depending on boards selected.
- Wall Display is a one piece construction that holds all display boards.

APPLICATIONS

A higher-end display that is attractive and extremely versatile, multiples of this display can be grouped together due to flush sides of the top molding, maximizing wall space and creating a gallery atmosphere.

AUTOCAD LIBRARY ON CD

We offer the convenience of AutoCAD to our dealers, designers and architects. Starting with the basics of our Specification Catalog, we have created a library of convenient and easy to use "blocks" that can be imported into most AutoCAD drawings, making it faster to create accurate and beautiful designs using Wellborn cabinetry. Each item is its own block, allowing the user to import only those cabinets needed. With all of the door styles put on individual layers, the user can quickly change the appearance of their design by simply turning on and off the door style using the layers tool. Door styles that have the option for CDF or SDF can be selected using the layers tool also. Our AutoCAD library is compatible with AutoCAD 2007 release and later versions. To download these files, go to: www.wellbornandyou.com, click on the CAD button in the Main Menu, select *Download Latest AutoCAD Library*. For a CD, contact the Marketing Department at extension 2216, to request a complimentary copy today.

CHIEF ARCHITECT SOFTWARE

Wellborn brand catalogs are available for use with Chief Architect software. The catalogs include the cabinet boxes, door styles, finishes, wood species and accessories (mouldings, legs, corbels and onlays). Design in 2D or 3D — place cabinets, resize and add cabinet options. Easily show the client how the new project will look with numerous presentation views including watercolor. Print a cabinet schedule of materials to create your bids and pricing information. You can also use Chief Architect for your elevation and installation drawings as it complies with the NKBA standards. Download the Wellborn Collection catalog or a Free Trial Version of Chief Architect at www.chiefarchitect.com.

ORDERING REPLACEMENT BLANK FRONTS AND COMPLETE DRAWERS

To eliminate errors occurring when ordering replacement blank fronts and complete drawers, please use the following guidelines:

1. Always order using the item codes found in the Easy Parts Search Program found on the Wellborn And You (WAY) site under Order Management.
2. Search for your code in the Easy Parts Search Program using the following criteria:
 - By Cabinet
 - Door Style
 - Full Height Door Option
 - Peninsula Option
3. Place your order as follows:

In the Easy Search Program, highlight the blank front or complete drawer, copy the entire row and paste it into the Material blank of your Direct Connect order. Remember to select any additional options.

Note: CD's come with all necessary hardware.

Pricing:

For blank fronts, take the actual square footage of the blank front and multiply by the price for the increment under the door style you are ordering. For complete drawers, Thermofoil and Laminate door styles are \$75 per sq. ft. All other door styles are \$165 per sq. ft.

Home Concepts Drawer Fronts \$/SF	Metro Towne	Cambridge Providence	Hampton Layton	Kingston York
< 1.0	\$50	\$60	\$65	\$88
> 1.1	\$44	\$50	\$55	\$75

- Blank Fronts are a minimum .5 SF charge based on door style and tiered pricing.
- Complete Drawers are a minimum of 1 SF charge based.

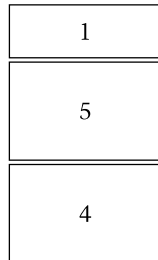

For Example:

B21 replacement blank front in Layton
 $5 \times 18.5 = 92.5 / 144 = 0.6424$ sq. ft.
 $0.6424 \times \$65 = \41.76 which rounds up to \$42 List

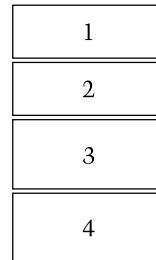

FULL OVERLAY DRAWER REPLACEMENTS

When ordering blank front (BF) or complete drawer (CD) replacements for full overlay door styles, please specify drawer position as noted below. This applies to vertical drawer stacks only.

Note: Some item code sizes are similar and must have the description code to determine the correct item.

3DB, VDB, VSDB, VLC and Ovens

4DB, VDBBH and VSDBBH

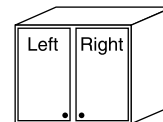

ORDERING REPLACEMENT DOORS

To eliminate errors when ordering replacement or extra doors, please use the following guidelines:

1. Always order using the item codes found in the Easy Parts Search Program found on the Wellborn And You (WAY) site under Order Management.
2. Search for your code in the Easy Parts Search Program using the following criteria:
 - By Cabinet
 - Door Style
 - Full Height Door Option
 - Peninsula Option
3. Always specify what hinge or hand type (right or left) you need.

To determine which hand you need, always picture the cabinet as it would be installed and then specify which side of the door is hinged as you face the front of the cabinet.
4. Place the order as follows:

In the Easy Parts Search Program, highlight the finished door or decorative door frame, copy the entire row and paste it into the Material blank of your Direct Connect order. Remember to select any additional options.

Pricing:

For finished doors, take the actual square footage of the door and multiply by the price for the increment under the door style you are ordering. For decorative door frames, pricing is \$80 per SF based on a minimum/SF charge.

Home Concepts Doors \$/SF	Metro Towne	Cambridge Providence	Hampton Layton	Kingston York
0 - 2.0	\$38	\$48	\$58	\$78
2.1 - 4.0	\$32	\$38	\$48	\$65
4.1 - 6.0	\$29	\$34	\$44	\$60
> 6.1	\$24	\$30	\$38	\$54

For Example:

W2130 replacement door in Layton
 $27.5 \times 18.5 = 508.75 / 144 = 3.533$ sq. ft.
 $3.533 \times \$48 = \169.58 which rounds to \$170 List

TERMS AND CONDITIONS

All prices herein supersede all prior price lists and are subject to change without notice. Home Concepts may also discontinue, without notice, the sale of any of the products listed herein. Home Concepts also may make changes in specifications of any of its products without notice.

The sale of Home Concepts products is made subject to the terms and conditions listed below, and to any change in these terms and conditions as published by Home Concepts.

ORDERS will be accepted only through Direct Connect at www.wellbornandyou.com. Such orders shall be accepted and processed per the buyer's request. Confirmations are located on Direct Connect for review. If changes are not made during the change period that signifies the acceptance of the order. All trailerload orders should be a minimum of 2500 cubes and a maximum of 3300 cubes.

Order modification and cancellation must be made by 12:00 noon central time on the day following your order placement, not from receipt of order confirmation. Home Concepts by Wellborn Cabinet, Inc. requests that all changes be made online at www.wellbornandyou.com.

QUOTES on KITCHENS—Home Concepts by Wellborn Cabinet, Inc. does not provide quotations to orders. Please note that ALL orders submitted to Home Concepts will be processed as an "order". The "Order Confirmation" received after submitting an order is to be used for verification of order accuracy and to cancel an order within 24 hour change period. For order quotations, see your local Home Concepts Territory Manager or local Home Concepts Dealer.

SHORTAGES or VARIANCES—A signed delivery receipt will indicate a complete shipment with no shortages.

CREDIT APPROVAL—Dealer orders are accepted subject to credit investigation and approval, and delivery may be withheld or shipments stopped in transit on accepted orders without any liability on Wellborn's part if, in its opinion, the dealer's ability to pay for the merchandise on these terms and conditions is in doubt.

DELIVERY—(common carrier) Delivery to the initial carrier shall constitute delivery to the dealer. Home Concepts by Wellborn Cabinet, Inc. ceases responsibility upon delivery in good order to such carrier, and all merchandise is shipped at the customer's risk. The dealer is urged to inspect all deliveries very carefully before signing transportation receipts. If goods are visibly damaged, the dealers should insist that written confirmation of the damage be noted on the freight bill of the carrier. If damage is discovered after unpacking, the carrier should be notified at once so that inspection can be made and the claimed damages be verified by the carrier.

Home Concepts by Wellborn Cabinet, Inc. will not be liable for any delay or failure in the delivery of goods against an accepted order or for any damage suffered by reason thereof when such delays or failure are directly or indirectly due to accident (in manufacturing or otherwise), fire, flood, riot, war, embargo, labor stoppages, inadequate transportation facilities, shortages of material or supplies, delay or default on the part of its vendors, regulations by Government Authority, or any like or dissimilar cause or causes beyond its control.

PRICE—Merchandise sold by the Home Concepts brand by Wellborn Cabinet, Inc. will be billed to the dealer according to the price and terms contained in its publications. In the case of orders for goods for which there is no price currently in effect, the price will be determined by Home Concepts and advised to the buyer on a case by case basis.

"SPECIALS"—Any cabinet requested that does not appear on our price list is subject to prior approval and at a special price. Any special cabinet cannot be returned or cancelled after the order is placed.

TAXES—Any tax or other Government charge now or hereafter levied upon the production, sale, use or shipment of merchandise ordered or sold will be charged to and paid for by the buyer.

WARRANTY—Except where a different express written warranty has been issued with respect to particular products, no warranty, expressed or implied, is extended by the Home Concepts brand by Wellborn Cabinet, Inc. to any person or persons other than its distributors and other direct buyers. To direct buyers Wellborn Cabinet, Inc. warrants only that it will furnish the product or, at its option, repair any product of its manufacture or part or portion thereof, proved to its satisfaction to be defective in material or workmanship under normal use and service within one (1) year of Home Concepts Dealer's original date of purchase. Wellborn Cabinet, Inc. will not be responsible for any damages whatsoever or for labor expense in connection with the replacement of defective products or parts or portions thereof.

The Home Concepts Series has a machine sanded finishing process and does not include the detailed hand sanding technique featured in the Wellborn Collection and Estate Custom Collection. Therefore, Wellborn Cabinet, Inc. does not recommend designs combining these series. Combining the Home Concepts with the Select Series, Premier Series or Estate Custom Collection in the same design will void the cabinet warranty.

This warranty is in lieu of all other warranties, expressed or implied, and of all other obligations or liabilities on the part of Wellborn Cabinet, Inc. Wellborn Cabinet, Inc. neither assumes nor authorizes any other person to assume for it any other liabilities in connection with the sale of its products except in the case of express warranties, which may be issued by it in writing from time to time with respect to particular products.

NOTE: All cabinets should be verified by customer upon delivery. Wellborn Cabinet, Inc. has a "NO RETURN POLICY."

KCMA means "Minimum HUD Approved"—The kitchen and bath cabinets of the manufacturers listed in the KCMA Directory comply with ANSI/KCMA A 161.1-2000, "Recommended Performance and Construction Standards for Kitchen and Vanity Cabinets." The cabinets also comply with the provision of paragraph 611-1.1, "HUD Minimum Property Standards—Housing 4910.1", 9/8/86.

Home Concepts is a brand of Wellborn Cabinet, Inc.
