Handcrafted

The time-tested craftsmanship that has made our cabinetry's quality second to none has been passed down from generation to generation by loyal employees who care. We hand select the finest hardwoods and materials from the USA for your cabinetry. Hand sanding of face frames, doors and drawers, along with hand rubbed finishes, combined with today's technology provide a quality product for your family and generations to come. Our drawers have strength with $\frac{3}{4}$ " solid wood sides and time tested dovetailed construction. Soft close drawer slides with Blumotion™, included in most of our brands, presents a full extension feature that also closes tight to the face frame with just a touch. The construction details for each Wellborn brand are included in our *Start With a Beautiful Finish* brochure. Wellborn Cabinet, Inc. delivers the quality you expect for your home.

Quality

Heirloom Quality is not just an expression, it's a way of life at Wellborn Cabinet. Our Appliance Panels receive detailed hand sanding and finishing providing a beautiful quality focal point to your kitchen. Wellborn has panels to accentuate any appliance in your kitchen including refrigerators, dishwashers, ice makers, trash compactors, warming drawers and more. The appliance specifications will be used to provide a custom appliance panel precisely fitted for the best finishing look in your home. The panels are fully assembled and integrate seamlessly to the appliance. With Wellborn, your design dream can come to life and our Lifetime Limited Warranty provides a product we stand behind.
